

PARENT ACTION NETWORK

An Initiative of Smart Approaches to Marijuana

Educate Empower Engage

ACTIVATING OUR NETWORK INTO ACTION

The Parent Action Network gives a voice to families and empowers them to be heard among our lawmakers. These moms, dads, grandparents, and siblings tell their stories and voice their knowledge-based opinions to advocate for healthy drug policies rooted in public health and safety.

AMPLIFYING OUR NATION'S VOICES

Joining the Parent Action Network will give you the opportunity to:

- **JOIN** a network of support and shared experience.
- **ACCESS** science-based and data-driven information that informs you on current initiatives and actions
- **RECEIVE** training and attend workshops on how to successfully use your voice to advocate for good drug policy
- **PARTICIPATE** in opportunities to strategically share your stories and opinions with legislators and advocate for informed drug policy decisions
